To help you discover the answers

Powys Family History Society

President: Mrs Dilys R. Glover.
Registered Charity No. 511875

Members of the Association of Family History Societies of Wales
and Federation of Family History Societies.

This Society was formed in 1980 by a small group who were tracing their POWYS ancestors. It was formed to assist those members who were also interested in this research and for residents of the County, irrespective of where their forbears originated.

There are three groups, one in each of the historic counties of Montgomery, Radnor and Brecknock, which now form the County of Powys. At present there are nearly 800 members worldwide - from Powys, other counties of Wales, the rest of the United Kingdom, Europe and overseas where many people emigrated in the past.

Meetings are held regularly in each County and the journal of the Society "*Powys Cronicl*" is issued three times annually. There are articles of interest and help for the family historian with contributions and enquiries from members actively encouraged.

Besides assisting members with their researches, the Society encourage the transcription and preservation of records and information which may otherwise be lost.

The Group Libraries have an extensive collection of records, documents and other reference material. Acquisitions include: Census Returns, IGI (International Genealogical Index), Extracts of Welsh Wills, Monumental Inscriptions and a host of other material.

Amongst those members, are some whose correspondence will surely brighten your morning mail and be a rich source on information in what always proves to be an addictive pastime. Everyone who takes it up inevitably says "If only I had started sooner!"
